Top Secret File *R

Because I know that humanity will have to wage many wars against evil in the future, I am leaving behind the strongest replicoid in history....

Because this world is currently at peace, it is my sincere hope that he will not be forced to embark upon such a dreadful battle. However, as unfortunate as it may be, I fear that when the time for that war comes, he will have no choice but to become the ruler of the world.

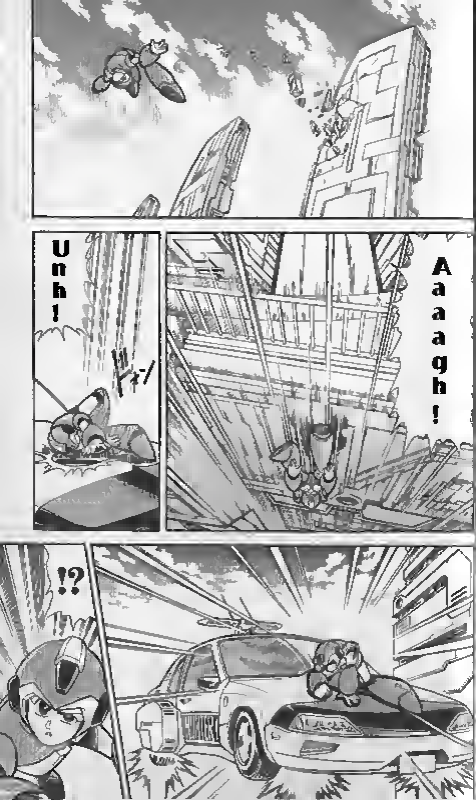
I have designed some special, power-up parts, perhaps the strongest equipment in the world, that, when installed, will make him near invincible. He will truly be the ultimate weapon.
And that....

--Date and year illegible..

Yeeessss.... everyone run away! We'll play a game of tag!
It's a Mave-rick!!
Pierrot's gone nuts!
We'll all be killed!!
Now then... who'll be "it" now??
And now, the world needs him.....

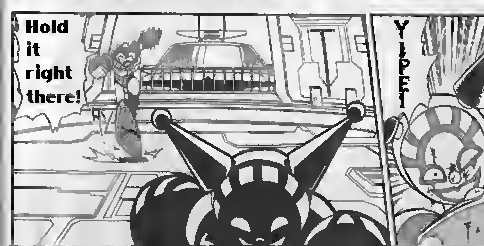
Who's that?!

None other than Maverick Hunter X! And I've come to deal with you!
"You'll deal with me"?! Don't you have that backwards, kid?!



Aaaagh!
Unh!
!?

*senpai: senior, elder, or upperclassman; mentor



Are you going to shoot me?
... shoot me?
Huh?
Prepare yourself!
!
Are you going to shoot another reploid, the same as yourself?!

...and we're Maverick Hunters.
Because you're a Maverick...
I'll shoot you.
!
That's our job.

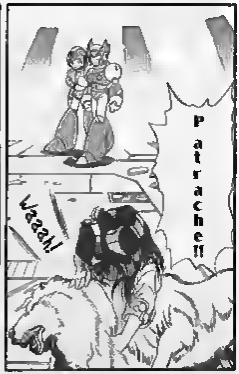
Yes sir!
Geez, didn't I tell you to be more careful? We can't fly, ya know.

A legend, huh...
But hey, that's only a legend.
Of course, if you were a Special A Class Hunter like myself, they say you could kick-jump your way up the wall...

Hmph... crying won't change anything.

!?

Humans do such pointless things sometimes, huh, X- -



Patrache!!
Waaah!

He...he has the ability to cry?!
Hm
Your dog's name was Patrache, right?
He was a great dog, wasn't he!

He really is just like a human! What's *with* him?!

This is an emergency alert! Return to Hunter Base immediately!
Roger!

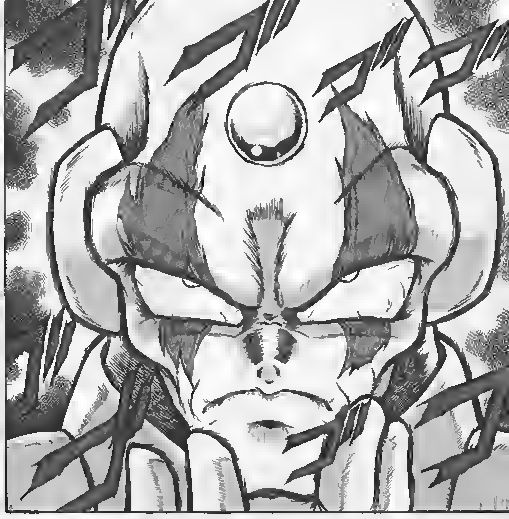
Maverick Hunter Base

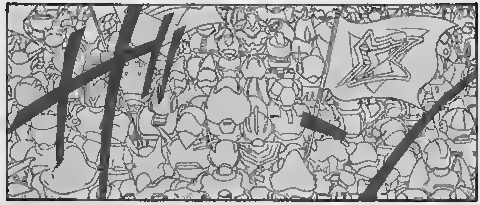
Kyle-san!
A Special A-class Hunter like Kyle... reduced to scrap...
What the hell happened to him?!
I did this.
What kind of Maverick could do this kind of damage...?

What do you mean you did it?!
S-Sigma...?!
Kyle betrayed Sigma...
...and Sigma opened his eyes to it!
He understands that we shouldn't have to serve those filthy humans anymore!

That is the law of nature!
Those who surpass the limitations of death are destined to rise above those who cannot!
Our intelligence... the human mind pales in comparison to it!
We could rule this world!!
Humans are a lower form of life!
He's right!
Kyle! Hold on!
Aaagh
Gah!
You're acting crazy!
What's wrong with all of you?!

He wasn't one nf us; he was acting like a human.
Those that betray us shall pay the price.



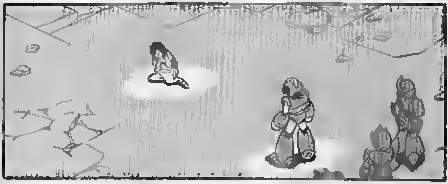


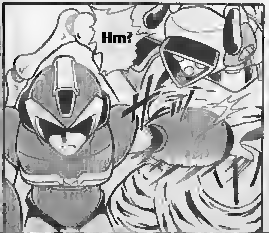
The weak, flawed humans shall never overtake the Maverick forces!
Today we stand united! Our time has come!
We, the supreme Mavericks shall exterminate the human race!

The whole city will be a battlefield!!

Wait!
Ahh, there was one still alive....
Stop this! You can't do this!
Geez, snap out of it and do it already, will ya!
!

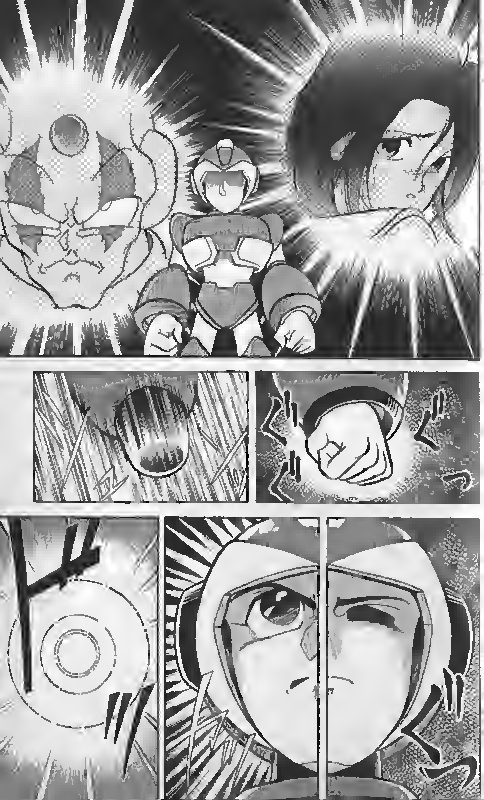
It's that girl
from before!!





Hm?

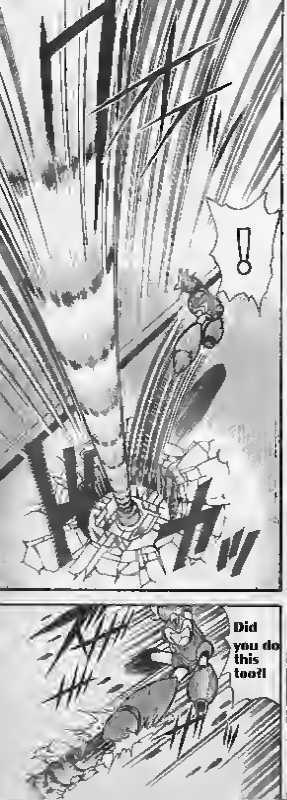
If you don't have the guts, I'll do it myself!



オオオオオオオ
It's wrong ... what you're doing is wrong ...
X, what the hell are you doing?!
YAAAAHHHHH!!!

....that we must use our strength to protect.
It's because we are so powerful....
Humans are living things!!

Where is he?!!
WHERE'S SIGMA?!



!
Did you do this too?!
The highway's been blown to pieces?!

Crushers!
Kyah!
X BUSTER!!!

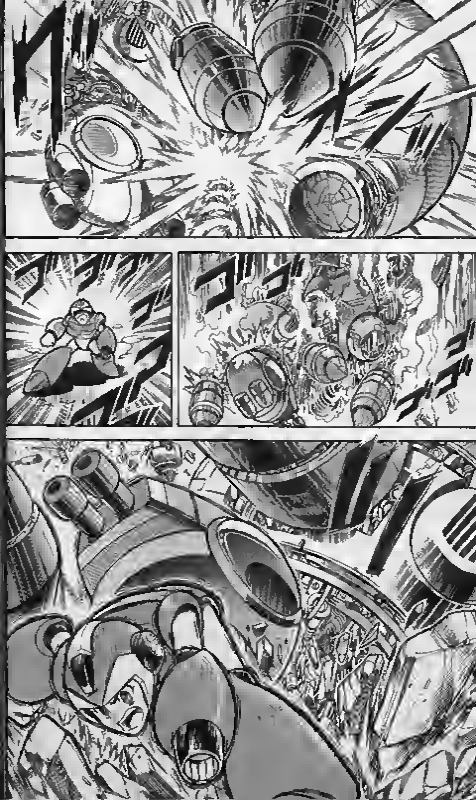
Hm?
Sigma... just like you to overdo it!
But!
There's always a weak point underneath!
Aagh!

It was hiding those this whole time?!

ガシャン
Nothing's working!
Well then…
I'll aim for the head!!

I won't waste any more shots ....
And I'll finish it with a fully-charge blast!!

The head isn't dead yet!
It's over!!



I'm falling...
Dammit!
If I keep falling will I die?
I'm not going so easily!
at this rate....
I can't die yet!
WILL I?!

Urgh!
Aggrh!
Yaah!
Hyah!
Gaah!
Agh
Yah

Of course, if you were a Special A Class Hunter like myself, they say you could kick-jump your way up the wall...
Is that what I ...?
That legendary technique that Zero-senpai told me about...
What did I just do...?
Wha... what's this strange sense I'm getting?
The triangular kick.... I've never seen it before.
And that voice that echoes from the depths of hell...I'm sure of it. It's—

HYAAA AHHH!!
VILE?!

Did I beat him?!

I've only just begun.
!?
You think it's over?

It's over, X....
Who are you?!
What the--?!

Hmph... Zero, eh? You're gonna fight me too?
I only wanna hear one thing from you...
I'm not gonna let you push this kid around anymore.
Where's Sigma?!
You think I'm gonna tell you?

But hey, if you're lookin' to die....
Consider this a favor.
Tell me!!
Wait!
You won't get away!
Damn!

Guess he didn't want to fight me alone after all...
Try not to be so rash next time.
Huh?
A a a a....
U g h...
Sigma hasn't gone Maverick yet, but he's grown stronger.
I'm a hunter.
Zero?! Are you with Sigma?!

If we want peace, we'll have no choice but to fight all 8 of them.
He's the original Special A Rank Hunter, and he'll use the others to help him take over the world.

*senpai: senior, elder, or upperclassman; mentor

You saved every one of them.
Look at those people.
Have a little confidence!
Yes, sir!
ALASKA?!
There've been a series of earthquakes around the 13th Unit Base in Alaska; would you check it out?

No way! I'm supposed to stop that giant avalanche from happening?!
The city will be destroyed!
No one's evacuated yet!

Maa-aarth!!
One year earlier
Maverick Hunter Base
Maaa-arth!
Hey, X! What's up? Why all the yelling?
Huff!
Huff!
Huff!
How come you're going all the way to Alaska?
The leader of this base...
it must be Commander Marth ...

This high-tech city is a little too cramped for this huge body of mine...
Look outside.
Because I'm the commander, that's why! Cheer up!
But...
But I can see you're not too happy about it.
That's why I wanna go and work on top of that huge mountain of snow, where I can take it easy.

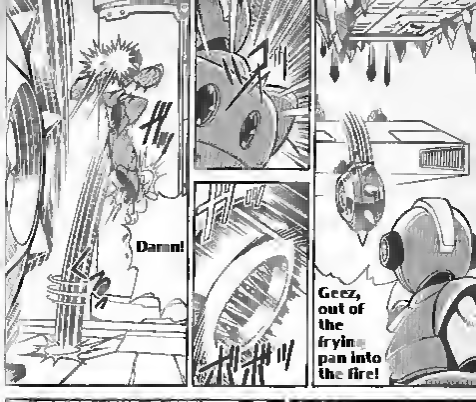
!
I've gotta check out that base for myself!
Go on, get outta here.
A raybit?
Dam-mit!
Kyah!

Aah!
Eat this!!

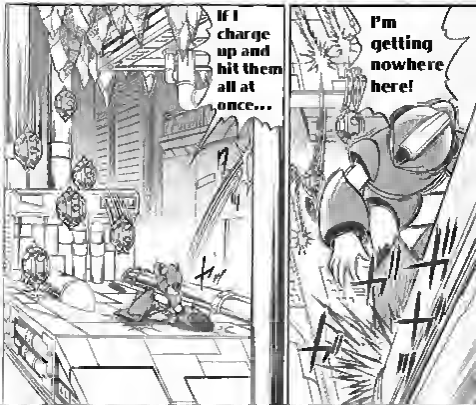
They shouldn't have attacked like that.....
Were they reprogrammed?
Marth ... did you do this!!
!
Was I too late?!
An earth-quake?!
It stop-ped ....
But if I don't stop it soon!!
Phew, it's still safe...

The base was here all along!
They must be doing the reprogram-ming here!

He even reprogrammed those?!
Bat-bots?!
They just keep coming!
Gaa hh!
Aaghh!
Get the hell out of here!!



Darnn!
Geez, out of the fryin pan into the fire!



If I charge up and hit them all at once...
I'm getting nowhere here!

There's too much energy!!
I'm racing against time...
Hurry up! Hurry up!!
!
X.....
?

It's been a long time....
!?
What's going on? I've never met him before, but my heart feels at peace....
But I guess fate played a hand ....
I wanted you to be able to spend your days in peace.
Step into the capsule....
Now then, X...

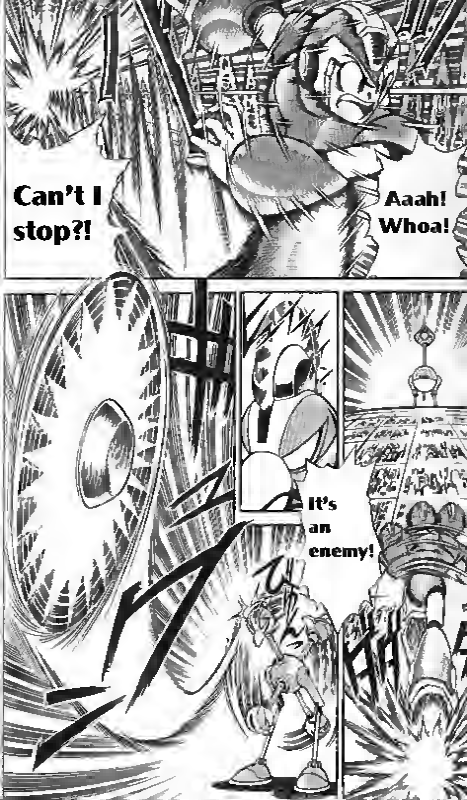
It's like he's giving me his heart...
It's strange.....
I'm not scared at all....
so comfor-ting...
It's so soul-hing...

It's like I've been reborn!!

If you want to become stronger, look for the capsules hidden throughout the world ....
Now, hurry and get out of here!

Aah!
The tremors have gotten stronger!

I've got to hurry!!



Can't I stop?!
Aaah! Whoa!
It's an enemy!

Am I gonna get hurt?!
I... I stopped!!
It's sink or swim now!!
What an awesome dash!!
Got 'im!!

!?
Alright! Just a little farther to the top!
Ride Armor !!
What the--?!
O W !!
A a a g h !

There was one more ?!
Geez, I'm between a rock and a hard place!
Ugh!
Eeerrgh!!

Try to keep him in one piece when you kill him.
We'll take him to the boss.
What the hell are you doing?!
I'll go see your boss all right.
X?!
X....

You punk! You makin' fun of me?!
Move, damm-it!!
Try and pull your hand away!!
You're trap-ped!
!

Checkmate.
If you agree to renounce Sigma, I'll spare your life.
I... I pro-mise!!
Sorry, but I'm gonna have to destroy that ride armor....

NOW
!!!

I've gotta hurry!!

A... a snow-ball?!
What the hell is this?!
Another one?!
What is this?!
Aargh!

Did he
do this?!

I don't have time ....
Another earth-quake!!
Even a small one will cause an avalanche!
for a snow-ball fight!!!
I have to stop the quake!!

Finally, I've reached the Command Room! Marth *must* be here!
Marth!! Did you sell your soul to Sigma?!
Sigma's crest is on the door!

Aaaaaaaghhh!!
How can there be this kind of blizzard inside a building?!
Oh m-- ....
It stopped ....
!
Where's Mar—

Maaaaaaaarth!!
Marth ....
It wasn't you after all.....
buried in ice.....
How could you end up like this.....

Is this your sick idea of art?!

Who's there ?!

That guy.... With his huge body.... thinkin' he was such a big shot...

Ohhh, come on now....

Who....
Who the hell would do this...

And I'll do the same thing to you!!
I'm Chill Penguin... I got rid o' that guy...

H u h ?!

Offense and defense in one ...works of art, I'd say!
Penguin ice scultures?? What the hell--?!
Look!

Quit screwing around!!
Oh, this is *too* easy!!
Another blizzard?!
!

Dammit, Penguin, you...!!
HA-ha-ha-ha--ha!! What's wrong, B-class?!
Ugh...
Ugh...
じゅっ

Finally figured that out, huh?
!
He's just too strong...
D—dam-mit!
Too bad it's too late.
X!!
I'm finished.
My body... it's freez-ing...

Whether you win or lose the battle, the most important thing is for you to have pride in yourself.
Strength has nothing to do with rank, or with size...
And that is the hunter's *true* weapon!
To believe in yourself ...!
HA-ha--ha--ha--ha!!

X
.....
Marth
.....
Just try and stop me!!
Quite a bind you're in there, B-class!!
W—
Wha
--?!

Aieeee
!!

My ice is.... unbreakable .....
No.... no way.....
How the hell did this happen?!!

Wuaaaahhh!!
Can't hit a moving target!!
Over here!!
Huh?
Huh
Mph
The triangular kick?!
How the hell is he moving so fast?!

No way!! You're a B-class hunter!!
Ungh!!
You just don't get it—it has nothing to do with rank!!
I have to believe in myself, just like Marth said!!

Dammit!!
Damn!
Yaiiiii !!
!
Nnh ...
I... surrender.
Really ?!
Give it up, Penquin. If you surrender, we can fight Sigma together...

Yeah *right*!! You didn't *believe* that crap, did you?!
Gahh!!
Pen-guin, you--!
What a fool!!
M--my face !!
Oh *no*!
!

One false move, and I'll smash him to pieces!!

he'll shatter like glass !!

Since he's completely sealed in ice...

Ugh!

You got me?!

One more ....
and Alaska will be buried!
Another earth-quake; that makes 4 now!
!?
Great news ...
... ain't it??
!!?
!!!
Aie eee !!
But, I'll tell you what you get if you beat me....
The switch that will stop the earthquakes is inside me.

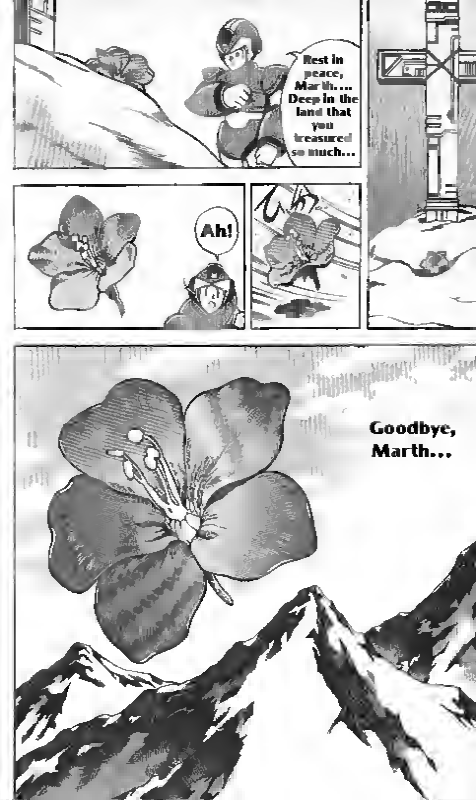
If we kill you now.... we can still save.... Alaska!!
MARTH!!!
You... you bas- tard!!
Apparently the tremors from the earthquake caused my emergency engine to turn on ....
H— how did you ...?!

But... finish him with a fully-charged shot.
Now, X! Shoot him!!
Yes, sir!
Let me go!
If I do that it'll go through him and kill you too!!
It's alright ...
No it's not!
What are you saying?!
Wh al ...
But...but I can't! ...I can't shoot you!!
Hurry ... before my... strength ... gives out...

You can, X.
Yeah... of course not!! That jerk won't shoot you....
For our self-pride!!
D--Don't do it!!!
N—no way!!

With such great power, you will fear no enemy.
Marth...
!!
Because you...
Don't look so sad...
MARTH!!!!
Yeah...
will carry on...the Hunters' pride.

X
...
Thank
you...



Rest in peace, Marth.... Deep in the land that you treasured so much...
Ah!
Uh?
Goodbye, Marth...

17th Generator Unit, come in! This is Red Noir; come in, 17th Unit!
And an electrical storm has created a dense fog, so our radar isn't working, either.
I see....
Sir, S Province isn't responding; there's been a massive power failure!
We can't avoid it!!
Captain! There's a gigantic reef dead ahead!
Well then, we'll use visual methods of navigation.
But in this kind of rocky terrain....

Four hours after the destruction of the Alaska base, the electrical supply of S province in Nation A was suddenly depleted.
All of their control systems were subsequently shut down, causing numerous grave disasters to occur throughout land, sea, and air.

And so, entrenched in a cloak of darkness, a city holds its breath, as if waiting for death itself to come...

Kyah!
N—

Nooo ooo!!!
Run for it!!
No! No!!
!

Oomph!
Whoever's behind this...is probably be over there!

Of course, the power plant! It's been taken over by Sigma!

What the hell? It's pitch-black in here!
カン
カン

I'm going in!!

What the hell's going on here?
YAHH!
Huh?? Gun-bolts?!

Did I dodge 'em?!
Gyaahh!!
Traps on the ground too?!
AAAAAGH!!
Dash!!
Dammit!

EAT THIS !!
WHERE'S THE BOSS?!

But there's no way...
You think you're pretty good, huh kid....
....you'll ever get past my cute little pet!!

Meanwhile, in a neighboring town, a strange group of armed animals has mysteriously appeared, and they are attacking with greater and greater frequency....
D Republic, Wildlife Reserve.
One town has already been completely destroyed, and the wave of destruction threatens to spread with alarming speed....
If I don't find the enemy's base snnn....
This town's been ravaged, too....

Didn't you get the message from Lord Sigma ?!
What? A phone message?

I already told you that...
LISTEN
Geez, waiting for a promotion, aren't ya...
I get it, I get it... "Capture X alive", wasn't it?

Well, forget it!!
Now then, there are more important things at hand....
I trust you have nothing else to say??

But this forest looks so peace-ful...
I thought those armed animals were supposed to be here...
Who's there ?!
!!

Naturally—Sigma's front-line base is here.
"Enemy territory"... so it *was* here?!
Never let your guard down in enemy territory!

Almost all of the animals here have been brainwashed and are attacking the surrounding cities....

Well then, what do you sug-gest....?
Only go after the boss!
I don't know if we can return them to nor-mal....
But... there must be a way!!

If you're not back by then, we do it my way.

Well, what the hell are you still doing here?! *Get going!!*

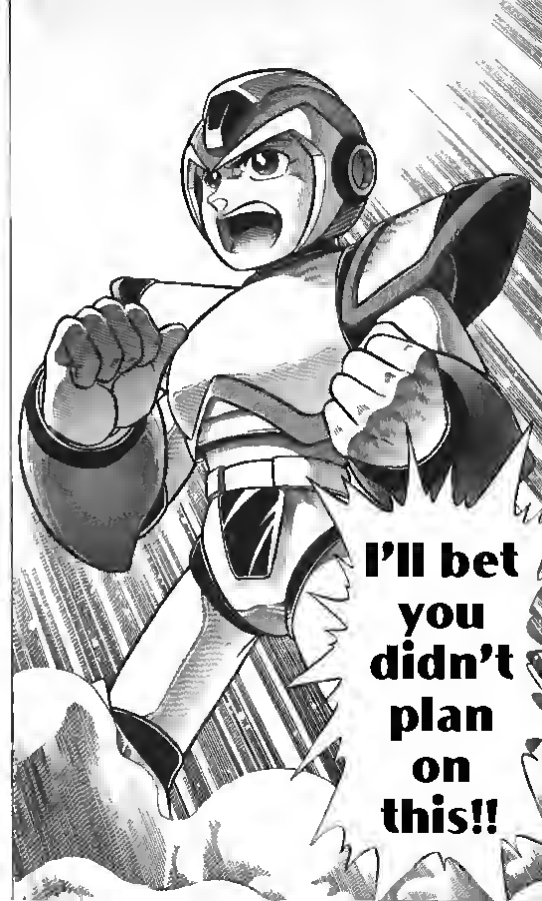
Of course. I only gave the order...
My army did the rest!!
Ah!

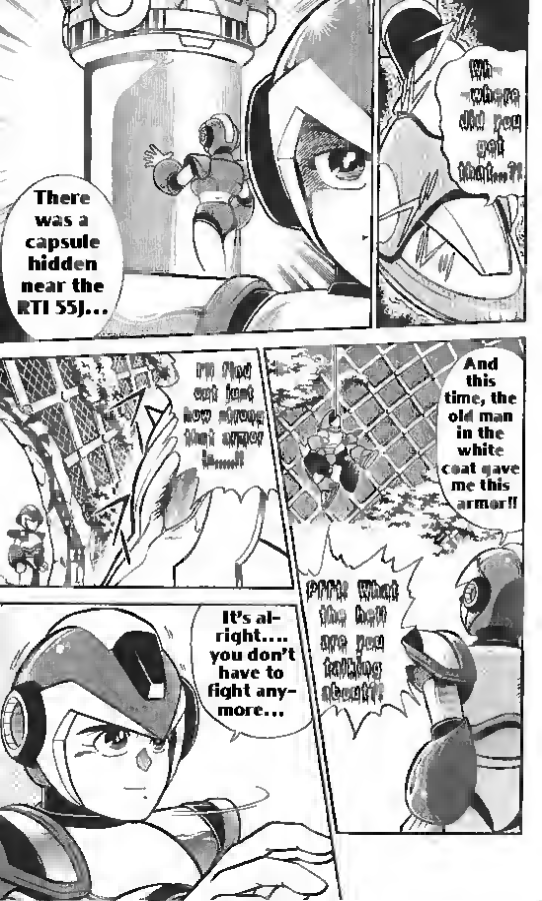
Unh...
Uaaaaghh!!
FIRE!!

How's that for ya?! Too hot to handle?!
Except for the weapons, they're just normal, innocent animals...
So, what're you gonna do, eh?
What're you gonna do now?!

Aaaaaaghhh!!!
Up till now, maybe ....
Ah, my opponents have been perfect!
See for your-self ...
But, I'm afraid you made one fatal mistake ....
Huh?



I'll bet you didn't plan on this!!



There was a capsule hidden near the RTI 55J...
Hm- where did you get that...?
I'm not sure how strong that armor is.....!!
And this time, the old man in the white coat gave me this armor!!
Pfft! What the hell are you talking about!!
It's alright.... you don't have to fight anymore...

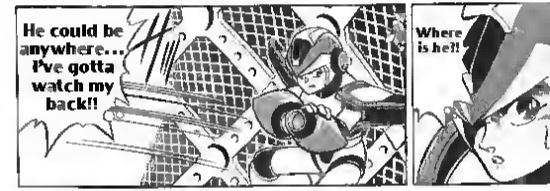
Aaaaaghhh!!
Heh... and what music is that?!
Ah, this is my face the place of music...
I hope my armor can handle this!!
I can't even tell if it's a scream or a groan...
But you might call it...

"Shoot"!!
Th-that idiot!!
He vanished?!



He could be anywhere... I've gotta watch my back!!

Where are you, Chameleon ?!?!
